INFORMATION

The online seminar is a Transnational Cooperation Activity among National Agencies (TCA) under the Erasmus+ Programme. It is organized by the German National Agency for Erasmus+ school education (NA-PAD).

Target Groups:	Teachers / head teachers from all Erasmus+ programme countries (general education, secondary level, pupils age from 10 – 15 years) Participants should be motivated to apply for (or cooperate on) an Erasmus+ project in 2022.
Seminar objectives:	<p>The seminar is a contact seminar with the objective to start school mobility and eTwinning projects in the Erasmus+-Programme (2021-2027).</p> <p>Seminar participants</p> <ul style="list-style-type: none"> ▪ will learn from a journalist who works with the Lie Detectors and get first-hand experience on the topic of “fake news” ▪ will receive pedagogical material for the classroom ▪ will learn from Erasmus+ best practice projects in the field of media literacy and disinformation and develop ideas for projects on the topic ▪ will acquire the know-how to apply for a school mobility project under Key action 1 in the new Erasmus+ programme ▪ will learn how to start a virtual project on the eTwinning platform ▪ will be connected to teachers in other programme countries with similar interests who could be partners in future projects ▪ will understand what makes a good quality project (concepts for learning mobility and blended mobility, thematic cooperation projects on the eTwinning-platform)
Seminar language:	English
Technical requirements:	We kindly request our participants to download the required communication tool before the meeting and to use a camera and a headset with a microphone.
Certificate of attendance:	All participants will receive a Certificate of attendance for this training after the seminar.
