# Understanding sustainable development through practical exercises

KA2 Erasmus cooperation partnership

**KLARA**  
TEORETISKA GYMNASIUM

# Who are we?

- Klara Teoretiska Gymnasium is a group of 12 upper secondary schools and we are part of Academedia, northern Europe's largest education company
- Higher education preparatory programmes – science, technology, social studies and business studies
- We believe in change through education – and focus on:
  - the global perspective
  - sustainable development

# What do we want to create?

We want to develop educational materials in line with the UN global goals 12, 13, 14 and 15; focusing on water and island environments.

**12** RESPONSIBLE  
CONSUMPTION  
AND PRODUCTION

**13** CLIMATE  
ACTION

**14** LIFE BELOW  
WATER

**15** LIFE  
ON LAND

# What do we want to create?

Learners will develop their understanding of both short-term and long-term effects on the environment through practical experiences in the field, for example by exploring green tech projects specializing in aquaculture, excursions and laboratory work.

# Target group

- Upper secondary schools within theoretical school education
- Organizations with an interest in sustainable development and/or aquatic questions
